Carrier Notification**SN91083789**

Date: August 11, 2003

To: Competitive Local Exchange Carriers (CLEC)

Subject: CLECs - Move of the Atlanta Local Carrier Service Center (LCSC) from Peachtree Industrial Blvd. to the Lindbergh Center Location

This is to advise that during August 2003, the Atlanta LCSC will be transitioning from its current location to the Lindbergh Center.

The Unbundled Network Element (UNE) and Complex groups will be moving the weekend of August 15, 2003. Since both of these groups do not have hours of operation on the weekend, the UNE and Complex groups will process electronic and manual Local Service Requests (LSR) up to the close of business on Friday, August 15, 2003, and will resume normal hours of operation on Monday, August 18, 2003.

The Resale group will move the weekend of August 22, 2003. Since the Resale group has weekend hours of operation, during this weekend all work will be handled in the Birmingham LCSC. CLECs may continue to fax LSRs to the same fax number. The fax (manual) work will be rerouted automatically to the Birmingham LCSC. The Resale group in Atlanta is expected to continue to process LSRs up to the close of business Friday, August 22, 2003, and be fully operational on Monday, August 25, 2003, for normal business hours.

With the completion of these moves, the LCSC address information, "Normal Hours" of Operation and Escalation Contact Numbers will be updated on the BellSouth Interconnection Services' Web site at:

<http://interconnection.bellsouth.com/centers/html/lcsc.html>

As information, after the move, the LCSC fax number that is used for sending manual LSRs will not change.

BellSouth appreciates your time and patience during this time.

Sincerely,
