
BellSouth Interconnection Services

675 West Peachtree Street
Atlanta, Georgia 30375

**Carrier Notification
SN91083910**

Date: December 18, 2003

To: ALL Asynchronous Transfer Mode (ATM), Frame Relay and Network Visibility Service (NVS) Customers

Subject: ALL ATM, Frame Relay and NVS Customers - (Product/Service) – **REVISED** - Free Installation Promotion (Originally posted on December 15, 2003)

BellSouth Interconnection Services Marketing is pleased to announce that it is running a free installation promotion on its ATM and Frame Relay services, including Network Visibility Service (NVS). The promotion will apply to all ATM, Frame Relay and NVS network interfaces and connections in the BellSouth Tariff FCC No. 1. **As information**, Permanent Virtual Circuits (PVC) and the NVS initial service establishment charge will be excluded from the promotion.

In order to take advantage of the promotion, carriers must order the ATM, Frame Relay and NVS services between **January 17, 2004 and April 16, 2004**. Carriers must maintain their new fast packet circuits in place for at least six months, or BellSouth will subsequently bill for the installation charge that was previously waived.

Please contact your BellSouth Account Team Representative with any questions.

Sincerely,
