Carrier Notification**SN91083984**

Date: February 24, 2004

To: Competitive Local Exchange Carriers (CLEC)

Subject: CLECs – (Directory Assistance/Directory Listings) – Omit Address (OAD) Field Required for Customers Requesting Non-Published Addresses

This is to advise the CLEC community that when transmitting listing requests to BellSouth® for inclusion in The Real Yellow Pages® and RealPages.comSM and the customer has requested the address not be published with the listing, the OAD field on the Local Service Request (LSR) must be completed in order for the address not to appear in the directories or in the Directory Assistance records. For example, certain organizations such as women's shelters and crisis centers may require that no address be published along with their listings. The OAD field must be completed in order to ensure that no address will publish.

Please contact your BellSouth Local Support Manager with any questions.

Sincerely,
