Date: May 20, 2004

To: Competitive Local Exchange Carriers (CLEC)

Subject: CLECs – (Interconnection/Contractual) - Public Inspection of Commercial Agreements

In accordance with 47 U.S.C. Section 211, BellSouth will make a copy of each commercial agreement executed between BellSouth and another carrier for the provisioning of wholesale telecommunications services available for public inspection by any individual or entity. Within 30 days following execution of a commercial agreement, BellSouth will notify Interconnection Services customers via a Carrier Notification letter that the agreement is available for review at BellSouth Center located at 675 W. Peachtree St., Atlanta, GA 30375. The following procedures will apply:

- Customer names will be redacted in the commercial agreements
- Note-taking will be permitted; however, no recording or reproduction of the commercial agreement may be made
- Commercial agreements will remain available for public inspection for the term of the commercial agreement

Once a commercial agreement is made available for public inspection, any nondisclosure agreement entered into regarding that commercial agreement would no longer apply to the commercial agreement itself. However, all discussions and correspondence exchanged during the negotiation of the commercial agreement will remain subject to the terms of the nondisclosure agreement.

If you wish to review these agreements, please send your request to the attention of Director, CLEC Negotiations via fax at 404.529.7839 or via mail to the following address:
