Subject: Payphone Service Providers (PSPs) – Dial Around Compensation

The FCC issued an order in CC Docket No. 96 -128 on October 3, 2003 adopting new payphone compensation rules that make it necessary for BellSouth to change the way it is compensating PSPs. BellSouth will now pay compensation quarterly through a national clearinghouse. As a result, payments will be made according to the payment schedule of the clearinghouse which is the fourth month following the closing of a quarter.

BellSouth will begin paying dial around compensation through the clearinghouse starting second quarter 2004. According to the clearinghouse procedures, all compensation for second quarter 2004 (April through June) will be processed and paid in October 2004.

If you have any questions please contact your BellSouth account executive.

Sincerely,
