**Carrier Notification****SN91084222**

Date: September 7, 2004

To: Wireless Service Providers (WSP)

Subject: WSP – (Business/Operational Process) - New Fax Server Toll Free Number for Wireless Local Number Portability (WLNP) - Wireless Type 1 and Wireline Complex Port Requests

To better serve the WSP community, a dedicated Fax Server has been put into place at the Birmingham Local Carrier Service Center (LCSC) for processing WLNP - **Wireless Type-1 or Wireline Complex Port** Local Service Requests (LSR). **The new Toll Free number is 1-888 581-6038.**

Please begin using the new Fax number effective immediately. On September 17, 2004, the new Fax number will be published on the BellSouth LCSC Center Web site located at:

<http://interconnection.bellsouth.com/centers/html/lcsc.html>

The WSPs will continue to use the existing Toll Free Fax Server **1-877 711-0378** for Porting Wireline Residential and Non-Complex Business service numbers only.

For an interim period of 30 days from the date of this Notification, WSPs submitting Wireless Type-1 or Wireline Complex Port LSRs will be accepted at both Fax numbers. After this period, the WSP must use the new Fax Server for Type 1 and Wireline Complex Ports or the LSR will be returned to the provider.

Please contact your BellSouth local contract manager with any questions.

Sincerely,
