**Carrier Notification  
SN91085121**

Date: November 2, 2005

To: Competitive Local Exchange Carriers (CLEC)

Subject: CLECs – (Product/Service) – **REVISED** - Triennial Review Remand Order (TRRO) - Unbundling Rules – States of Alabama and South Carolina (Latest revision posted August 12, 2005)

On April 15, 2005, BellSouth released Carrier Notification letter [SN91085089](#) advising CLECs that, effective April 17, 2005, BellSouth would no longer accept new service requests from CLECs for mass market unbundled local switching and Unbundled Network Element-Platform (UNE-P) in the states of Florida, Georgia, Mississippi and North Carolina. Further, on April 26, 2005, BellSouth released Carrier Notification letter [SN91085094](#) advising CLECs that, effective April 27, 2005, BellSouth would no longer accept new service requests from CLECs for mass market unbundled local switching and UNE-P in the state of Kentucky. Then, on May 17, 2005, BellSouth released Carrier Notification letter [SN91085108](#) advising CLECs that, effective May 19, 2005, BellSouth would no longer accept new service requests from CLECs for mass market unbundled local switching and UNE-P in the state of Tennessee. Finally, on May 23, 2005, BellSouth released Carrier Notification letter [SN91085111](#) advising CLECs that, effective May 25, 2005, BellSouth would no longer accept new service requests from CLECs for mass market unbundled local switching and UNE-P in the state of Louisiana.

On June 1, 2005, BellSouth released Carrier Notification letter [SN91085121](#) advising CLECs that, pursuant to the Alabama Public Service Commission's (APSC) Order dated May 25, 2005, and, to the extent applicable, subject to company-specific exceptions as noted in such Order, BellSouth would no longer accept new service requests from CLECs for mass market unbundled local switching and UNE-P in the state of Alabama. BellSouth's June 1, 2005 Carrier Notification letter also advised that, effective June 9, 2005, pursuant to the South Carolina Public Service Commission's (SCPSC) Directive dated April 13, 2005, BellSouth would no longer accept new service requests from CLECs for mass market unbundled local switching and UNE-P in the state of South Carolina. On June 3, 2005, BellSouth revised Carrier Notification letter [SN91085121](#) to reflect that, consistent with the SCPSC's Directive, BellSouth would continue to accept new service requests from CLECs for moves, changes and additions of mass market unbundled local switching and UNE-P for embedded base customers that are currently served by UNE-P. The June 3, 2005 Carrier Notification letter further advised that, consistent with the SCPSC's Directive, BellSouth would accept new service requests from CLECs for the embedded base of UNE-P customers at the customer's existing location or at the customer's new location. Such service requests must be submitted manually, but would be charged at the mechanized rate.

**On August 17, 2005, pursuant to the APSC's August 2, 2005 decision, regarding Momentum's Emergency Petition, BellSouth began accepting new service requests from CLECs, for their embedded base of customers that are currently served by UNE-P, for mass market unbundled local switching and UNE-P at the customers' existing locations. This letter is to advise that, effective November 4, 2005, pursuant to the APSC's October 27, 2005 order, BellSouth will also provision new UNE-P lines for existing CLEC UNE-P customers when those customers move to new**

**physical locations.** Such service requests must be submitted manually, but will be charged at the mechanized rate.

BellSouth **continues** to offer a Short Term Commercial Agreement to permit the CLEC to place new orders for switching and port/loop combinations **to serve new customers.**
