This is to advise that, effective September 30, 2005, BellSouth will offer a new Flat Rate Business Line service in North Carolina. This service provides local calling from the subscriber's home exchange to all BellSouth exchanges and participating Independent Company (ICO) exchanges within a 30-mile radius of the subscriber's home exchange. Calls beyond the 30-mile radius will require 1+ dialing and will be subject to applicable toll charges, if any, from the subscriber's local toll provider.
