Date: October 10, 2005

To: Facility-Based Competitive Local Exchange Carriers (CLEC)

Subject: Facility-Based CLECs - Introducing the Wholesale Transport Service Conversion to Unbundled Network Element-Loop CLEC information Package, Version 1

This is to announce that the **Wholesale Transport Service Conversion to Unbundled Network Element-Loop (UNE-L) CLEC information Package, Version 1** will be available on October 14, 2005.

This package addresses switch-as-is conversions of a wholesale transport service to UNE-L, which is defined as an existing wholesale service (from the Special Access Tariff or Switched Access Tariff) that is converting to an equivalent UNE-L with no physical changes or moves.

The package will be posted to the BellSouth Interconnection Web Site at the following address:
