Subject: CLECs – (Product/Service) – Update to the Wholesale Transport Service Conversion to Unbundled Network Element-Loop Spreadsheet

This is to announce that, on July 24, 2006, BellSouth will update the Wholesale Transport Service Conversion to Unbundled Network Element-Loop (UNE-L) spreadsheet to Version 3, replacing Version 2. The update is to add a new field for Company Code (CC) to the header information of the spreadsheet. Beginning August 24, 2006, CLECs will be required to include the CC on the spreadsheet. However, BellSouth requests that CLECs begin providing the CC immediately.

The Version 3 spreadsheet can be downloaded from the Wholesale Transport Service Conversion to UNE-L CLEC Information Package, Section 5.2, which can be found on the BellSouth Interconnection Services Web Site at:
