Subject: All Business Markets – Wholesale Customers – (Tariff and Product/Service) – Promotional Offer for BellSouth® Configuration Management Capability Service for BellSouth® Frame Relay

This is to advise that, on September 1, 2006, BellSouth will trial a promotion, Configuration Management Capability Promotion, which will bundle BellSouth® Frame Relay and BellSouth® Configuration Management Capability Services (CMCS). This special promotion will provide a credit for the Monthly Recurring Charges (MRC) for the first 2 months of service. This service will provide customer monitoring and reconfiguration of the Frame Relay services associated with CMCS service purchased during this promotion. The Frame Relay MRC will not be discounted with this promotion; however, the MRC charges associated with CMCS Data Link Connection Identifier (DLCI) bundles will be credited. This promotion will only be available to BellSouth customers for a period of 180 days beginning on September 1, 2006, and ending on February 28, 2007.

Customers must agree to a keep the newly purchased CMCS service in place for a minimum of 12 months. Additional minimum qualifications are shown in the BellSouth Tariff FCC No.1, Section 25.

Customers can take advantage of this offering by ordering from the BellSouth Tariff FCC No. 1, Section 21 via the normal Access Service Request (ASR) process. Your BellSouth account team will assist you in the ordering and provisioning specifications.

If you have questions, please contact your BellSouth account team representative.

Sincerely,
