Subject: All Business Markets – Wholesale Customers – (Billing, Provisioning, Network Operations and Maintenance & Repair) – Area Dispatch Status Report

With the arrival of Tropical Storm Ernesto in Florida, BellSouth has reestablished its Web site for the Area Dispatch Status report that was previously replaced with the Katrina Wire Center Update spreadsheet in Carrier Notification letter SN91086118 dated June 8, 2006, and revised on August 30, 2006. BellSouth Business Markets - Wholesale customers are advised to use the Area Dispatch Status report to gain insight on any service delays based on BellSouth's assessment of the degree of damage resulting from Ernesto and any subsequent storms. The report can be found on the BellSouth Interconnection Services Web site at:

<http://interconnection.bellsouth.com/network/disaster/mdrdocs/DisasterStatus.html>

Please note that the Katrina Wire Center Update spreadsheet referenced in SN91086118 will continue to be updated as the status of the areas improves.

Please contact your BellSouth account representative with any questions.

Sincerely,
