**Carrier Notification
SN91086246**

Date: October 18, 2006

To: All Business Markets – Wholesale Customers

Subject: All Business Markets – Wholesale Customers - (Billing, Tariff and Product/Service) –
REVISION to SN91086208 – Enhancement of BellSouth® Wavelength Channel Service,
Dedicated System to add Optical Network Protection Capability

This is to advise that **Carrier Notification letter SN91086208**, originally posted September 19, 2006, has been revised to change the effective date of the tariff, and to remove the feature from the carrier notification that would allow the customer the capability of a 4-fiber configuration on one end of the service as this will not be part of the offering.

Please refer to the revised letter for further details.

Sincerely,
