Subject: All Business Markets Customers – (Billing and Product/Service) – Announcing a Rate Reduction in Phase II Areas

Effective April 5, 2007, BellSouth Telecommunications, Inc. d/b/a AT&T Southeast (AT&T) will offer rate reductions in the region where AT&T has obtained Phase II Pricing Flexibility for price cap services ("Phase II areas"). The rate reduction will be available on interstate Special Access (SPA) DS1 and DS3 local channels and interoffice mileage elements that are offered pursuant to the Phase II Pricing Flexibility Provisions found in the BellSouth Tariff FCC No.1, Section 23 for Metropolitan Statistical Area Access Services at rates that are no higher than, and on the same terms and conditions for, such services in areas where AT&T has not obtained Phase II Pricing Flexibility.

AT&T reserves the right to make any modifications to or cancel the above information prior to the proposed effective dates. Should any modifications be made to the information, these modifications will be reflected in a subsequent letter sent at the time of the filing. AT&T will incur no liability to the customer if such information, mentioned above, is cancelled or is not ultimately put into effect.

If you have questions related to the rate reduction, please contact your AT&T account team manager.

Sincerely,
