**Carrier Notification
SN91087060**

Date: April 12, 2007

To: All Business Markets Customers

Subject: All Business Markets Customers – (Tariff, Billing and Product/Service) – Elimination of the Charge for Processing and Coordination Associated with a Shared Network Arrangement Request

On May 3, 2007, BellSouth Telecommunications, Inc. d/b/a AT&T Southeast (AT&T) will update BellSouth Tariff FCC No.1, Section 6 and Section 7 to remove the Coordination Charge per arrangement and the Processing Charge per service request associated with a Shared Network Arrangement request. These manual handling charges are being eliminated now that AT&T has established an electronic process for handling these type service requests. The electronic process was introduced in Carrier Notification Letter SN91087038, posted on March 9, 2007.

As outlined in Carrier Notification Letter SN91087038, the Web-based capabilities can be found on the BellSouth Interconnection Services Web site at:

http://www.interconnection.bellsouth.com/tools_forms_and_reports

The requests are also available on the BellSouth CAFÉ Web site at:

<https://cafe.bellsouth.com>

Should you have questions, please contact your AT&T account team representative.

Sincerely,
