Subject:	CLECs - (ORDERING AND PROVISIONING) Retirement of Local Exchange Navigation System (LENS) Graphical User Interface (GUI)		
Related Letters:	NA	Attachment:	NA
States Impacted:	Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee		
Issuing ILECS:	AT&T Alabama, AT&T Florida, AT&T Georgia, AT&T Kentucky, AT&T Louisiana, AT&T Mississippi, AT&T North Carolina, AT&T South Carolina and AT&T Tennessee (collectively referred to for purposes of this Accessible Letter as "AT&T Southeast Region")		
Response Deadline:	NA	Contact:	Electronic Commerce Account Team

On June 22, 2008, AT&T Southeast Region will retire the Local Exchange Navigation System (LENS) Graphical User Interface (GUI). The ordering functionality currently provided by LENS will be replaced by the Local Service Request Exchange (LEX) GUI, and the pre-ordering functionality will be replaced by the Verigate GUI, which are the systems currently used to serve the AT&T 13-state region.

The Change Control Process (CCP) retirement guidelines are being followed for the implementation of this migration and Change Request CR2493 has been opened to address this retirement. Additional information (e.g., detailed schedules, communications methodologies, user guides, etc.) will be distributed as they become available.

Please contact your AT&T electronic commerce account team representative if you have any questions.
