Accessible Letter **SN91087076**, dated May 3, 2007, announced that, as a result of the AT&T/BellSouth merger, AT&T Southeast Region is in the process of rebranding.

The purpose of this Accessible Letter is to advise that the Local Exchange Ordering-Implementation Guide (LEO-IG) Volume 2, Issue 25.0C, for Release 25.0 will be rebranded when it is posted to the AT&T Interconnection Services website on Friday, July 6, 2007. Rebranding consists of replacing BellSouth logos, text, copyright statements, etc. with the appropriate AT&T logos and verbiage. The rebranding does not change the purpose or the content of LEO-IG Volume 2, Issue 25.0C, for Release 25.0. As such, rebranding will neither have an operational impact nor will it change how your company does business with the new AT&T.

Please contact your AT&T local support manager with any questions.

In the event of any modifications to or cancellation of the information set forth herein, CLECs will be notified via a subsequent Accessible Letter.
