Accessible Letter **SN91087076**, dated May 3, 2007, announced that, as a result of the AT&T/BellSouth merger, AT&T Southeast Region is in the process of rebranding.

The purpose of this Accessible Letter is to advise that the Local Ordering Handbook (LOH), Version 25.0C, New Local Service Ordering Guide (LSOG) 6 and LSOG 10 and EDI Local Mechanization specifications (ELMS) 6 and ELMS 10 for Release 25.0 will be rebranded when it is posted to the AT&T Interconnection Services website on Friday, July 6, 2007. Rebranding consists of replacing BellSouth logos, text, copyright statements, etc. with the appropriate AT&T logos and verbiage. The rebranding does not change the purpose or the content of LSOG 6 and 10, and ELMS 6 and ELMS 10, Version 25.0C for Release 25.0. As such, rebranding will neither have operational impact nor will it change how your company does business with the new AT&T.

Please contact your AT&T local support manager with any questions.
