

## Web Site News As Of March 7, 2005

Welcome to the SBC Midwest Performance Measurements web site.

January 2005 performance results for SBC Midwest performance measurements are now available.

### ***Recalculated and Reposted Performance Measures:***

Listed below are the measures for which previously reported results have been recalculated and reposted. SBC/Midwest makes available a listing of the recalculated and reposted performance measurement results that have also been restated (changed from the originally posted result) in the Reports section of this website. These reports are available for both CLEC-aggregate results and CLEC-specific results, and are accessed in the same manner as existing performance measurement reports.

- December 2004 results for performance measures 100 and 101 have been recalculated and reposted to include data for the week ending 12/13/04 that was inadvertently omitted from January 2005 result processing.
