

## **Web Site News As Of May 5, 2006**

Welcome to the Performance Measurements web site for AT&T operations in Illinois, Indiana, Michigan, Ohio, and Wisconsin.

March 2006 performance results for AT&T performance measurements are now available.

### ***AT&T PM Audit Reports:***

AT&T PM Audit Reports are now available. These can be accessed by clicking the button at the bottom of this News Page.

### ***Recalculated and Reposted Performance Measures:***

Listed below are the measures for which previously reported results have been recalculated and reposted. AT&T makes available a listing of the recalculated and reposted performance measurement results that have also been restated (changed from the originally posted result) in the Reports section of this website. These reports are available for both CLEC-aggregate results and CLEC-specific results, and are accessed in the same manner as existing performance measurement reports.

- December 2005 results for performance measures 16 and 19 have been recalculated and reposted to correct a system processing problem that resulted in a significant under reporting of volume.
- October 2005 through January 2006 results for performance measure 18 have been recalculated and reposted to correct for a logic problem that resulted in CABS paper records being erroneously reported as electronic.
- December 2005 through January 2006 results for performance measure 70.1 have been reposted to correct the display of results as a decimal, when the results should be displayed as a whole number.
- June 2005 results for performance measure 97 have been recalculated and reposted to correct for a system processing problem that resulted in certain orders being reported as not having the 10-digit trigger set on time, when in fact the trigger was set on time.
- January 2006 results for performance measures 29, 30, 40, and 41 have been recalculated and reposted to remove Local Wholesale Complete orders erroneously included in Affiliate results.
- March 2006 results for performance measure 102 have been recalculated and reposted to display Retail results inadvertently included with Wholesale results.
