Welcome to the SBC Midwest Performance Measurements web site.

April 2005 performance results for SBC Midwest performance measurements are now available.

Recalculated and Reposted Performance Measures:

Listed below are the measures for which previously reported results have been recalculated and reposted. SBC/Midwest makes available a listing of the recalculated and reposted performance measurement results that have also been restated (changed from the originally posted result) in the Reports section of this website. These reports are available for both CLEC-aggregate results and CLEC-specific results, and are accessed in the same manner as existing performance measurement reports.

- March 2005 results for performance measure 97 in Michigan have been recalculated and reposted to correct for a data processing problem that resulted in some LNP orders being reported incorrectly as misses for a single CLEC.
