

## Web Site News As Of June 20, 2005

Welcome to the SBC Midwest Performance Measurements web site.

May 2005 performance results for SBC Midwest performance measurements are now available.

### *Please Note:*

- In accordance with the Ohio Commission PUCO Order issued 2/23/05 in Case No. 00-942-TP-CLI agreed to by the PM Collaborative, effective with reporting of May 2005 performance in Illinois, Indiana, Michigan, and Wisconsin, PM 100 will no longer be reported, and PM 113 will no longer be subject to remedy.
- The Restatement Report option is currently not working. Instead of listing only those measures that were actually restated (results changed), the report is currently listing all measures that were recalculated and reposted. Work is under way to correct the report, and additional notice will be posted here when it is corrected.
