**Effective September 20:**

***Recalculated and Reposted Performance Measures:***

Listed below are the measures for which previously reported results have been recalculated and reposted. AT&T makes available a listing of the recalculated and reposted performance measurement results that have also been restated (changed from the originally posted result) in the Reports section of this website. These reports are available for both CLEC-aggregate results and CLEC-specific results, and are accessed in the same manner as existing performance measurement reports.

- March 2012 through May 2012 results for performance measure 97 have been recalculated and reposted to include records not reported due to a data file problem.
- July 2012 results for performance measure 22 have been recalculated and reposted to correct a data file problem that caused Illinois results to be incorrect, and Indiana, Michigan, Ohio, and Wisconsin results not to be published.
- July 2012 results for performance measure 107 have been recalculated and reposted to correct a coding problem that caused some records not to be included in results.
