Welcome to the Performance Measurements web site for Illinois, Indiana, Michigan, Ohio & Wisconsin.

**September 2008 results are now available for Illinois, Indiana, Michigan, Ohio & Wisconsin.
Effective November 05:**

Recalculated and Reposted Performance Measures:

Listed below are the measures for which previously reported results have been recalculated and reposted. AT&T makes available a listing of the recalculated and reposted performance measurement results that have also been restated (changed from the originally posted result) in the Reports section of this website. These reports are available for both CLEC-aggregate results and CLEC-specific results, and are accessed in the same manner as existing performance measurement reports.

- The line counts for Version 2.5 performance measure 65.1 and Version 3.0 performance measure 37.1 in Illinois, Indiana, Ohio, and Wisconsin for December 2005 through June 2008 have been restated to reflect affiliate lines.
- November 2006 through November 2007 results for Version 2.5 performance measures 58, 59, 60, 62, 63, 65.1, 67, 69, 69.1, WI1, and WI2, and August 2007 results for performance measure IN1, have been recalculated and reposted to remove affiliate records inadvertently included in results as the result of an error interpreting the Business Rules.
- July and August 2008 results for performance measure 62 have been recalculated and reposted to remove completed orders that did not miss their due dates inadvertently included in Retail results due to a data processing problem.
- September 2008 results for performance measure 39 have been recalculated and reposted to remove delayed maintenance from the Mean Time to Restore Intervals which had been included in error.
