Welcome to the Performance Measurements web site for Illinois, Indiana, Michigan, Ohio & Wisconsin.

**November 2014 results are now available for Illinois, Indiana, Michigan, Ohio & Wisconsin.
Effective December 22:**

Recalculated and Reposted Performance Measures:

Listed below are the measures for which previously reported results have been recalculated and reposted. AT&T makes available a listing of the recalculated and reposted performance measurement results that have also been restated (changed from the originally posted result) in the Reports section of this website. These reports are available for both CLEC-aggregate results and CLEC-specific results, and are accessed in the same manner as existing performance measurement reports.

- May through July 2014 results for performance measures 5 and 6 have been recalculated and reposted to correct a coding error that resulted in some orders not being reported.
- September 2014 results for performance measure 5 have been recalculated and reposted to correct a coding problem that resulted in some made orders being recorded as missed.
